MD, PhD. Psychiatrist
Assistant Professor,
University of Toronto,
Canada

Prevention in perinatal mental health: main concepts and general bases.

***SALON** – A gathering for the purpose of intellectual stimulation and edification. The inquiry host poses the question/challenge, and the participants bring the expertise and solutions for group exploration.

INQUIRY HOST: Emma Motrico, PhD.

MODERATOR: Tatiana Valverde, MD, PhD

PARTICIPANTS are expected to present case summaries and program descriptions which address the focus of the inquiry.

Registration limited to 22 participants!
